Forum: *Healthy Bay, Healthy Fisheries? Managing the Future of the Bay*

Saturday, April 20 7:00 PM
Schmidt Conference Center
Smithsonian Environmental Research Center, Edgewater, Maryland

Will current actions to “Restore the Bay” ensure the future of sustainable fisheries?

Topics will include:

- What do we know about the Bay’s ecosystems and fisheries?
- Will current and future fisheries management practices be successful?
- How will the future environmental shift impact ecosystems?
- Will species acclimate and adapt?

CEPA’S DISTINGUISHED 2013 FORUM PRESENTERS:

Dr. Thomas Miller, Director of the University of Maryland Center for Environmental Science
Chesapeake Biological Laboratory

Dr. Raymond Najjar, Professor of Oceanography, The Pennsylvania State University,
University Park, PA, member of the Science and Technology Advisory Committee of the
Chesapeake Bay Program

Discussion moderated by **Dr. Jana Davis**, Executive Director, Chesapeake Bay Trust
